

300€

Early Bird until
12th December 2025

8th International Conference

Food Contact Materials Regulation

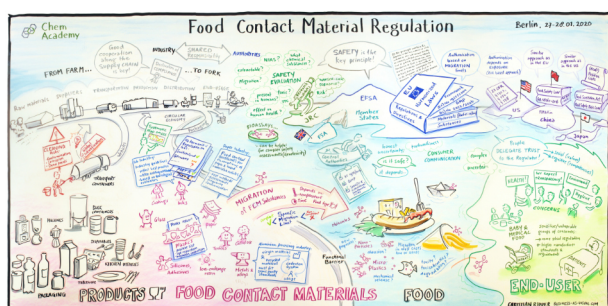

www.chem-academy.com

Presenting Institutions and Companies

Key Topics

- The Regulatory Framework(s)
- NIAS
- Phasing out PFAS
- The PPWR
- Recycling

- Dr Bernard Hegarty, Food Safety Authority of Ireland
- Malene Teller Blume, Coop Trading, Denmark
- Dr Petra Hilt, Trelleborg Sealing Solutions Germany GmbH, Germany
- Malcolm Driffield, PhD, Exponent International Ltd, United Kingdom
- Dr David Doennig, Canon Deutschland GmbH, Germany
- Dr Ingo Schwab, VSLF (Swiss Coatings Federation), Switzerland
- Daisy de Klein, Knoell NL B.V., the Netherlands
- Koen Weel, Coca-Cola Europe, the Netherlands
- Daniel C. Rubenstein, Steptoe LLP, USA
- Dario Dainelli, PolicyRegulatory, Belgium/Italy
- Dr Carlos de la Cruz Garcia, Nestlé System Technology Center, Switzerland
- Dr Sabine Lindner, PlasticsEurope Deutschland e. V., Germany
- Dr Christian Kirchnawy, OFI Technologie & Innovation GmbH, Austria
- Paula Hirsilä, Huhtamaki Oyj, Finland
- Dr Anna Gergely, Crowell & Moring LLP, Belgium
- Dr Ulphard Thoden van Velzen, Wageningen Food & Biobased Research, the Netherlands
- Neil Finley, Henkel Adhesive Technologies, United Kingdom

Graphic Recording Food Contact Materials Regulation Conference

9th and 10th February 2026

Berlin, Germany, and online

Presented by

www.chem-academy.com/fcm

Monday, 9th February 2026

8.30 Registration and Coffee

8.55

Opening Remarks

Dr Bjoern Nehls, Director, Chem-Academy, and

Dr Bernard Hegarty, Director of Enforcement Policy, Food Safety Authority of Ireland

9.00

The EU's Policy Under Revision – What Does It Mean For FCM Regulation?

- From Green Deal to Clean Industrial Deal: state of the regulatory debates within the EU
- How is the Food Contact Materials framework affected?
- Goals for a more sustainable management of FCM
 - Waste reduction
 - Reusability and recycling
- Current and upcoming challenges
 - PFAS restrictions
 - Microplastics

Neil Finley, Head of Food Safety, Product Safety and Regulatory Affairs, Henkel Adhesive Technologies, United Kingdom

9.40

FCM: the Regulatory Framework and Enforcement within the EU

- FCM: the regulatory framework and the role of enforcement
- Initiatives and challenges from an authority's point of view
- Scientific input and how to react to new insights
- Upcoming issues

Dr Bernard Hegarty, Director of Enforcement Policy, Food Safety Authority of Ireland

10.20 Coffee Break

10.50

NIAS in Food Contact Materials - Issues and Solutions

- Definition and the origins of NIAS
- Hazard assessments: Why and when should they trouble us?
- Regulatory requirements in food contact materials
- The analytical workflow for identifying and quantifying NIAS
- Challenges with toxicological testing
- Points to consider for implementing SSbD (Safe and sustainable by design)

Malcolm Driffield, PhD, Managing Scientist - Food Safety and Food Contact Materials, Exponent International Ltd, United Kingdom

11.30

Conformity of IAS in Printed Food Contact Materials

- Legal requirements and the regulatory framework (D, CH)
- Revision of Swiss Ordinance
- VSLF and EUPIA guidance documents
- Practical implications with CMR assessment
- Genotoxicity: what we need to know
- Partial overlaps: NIAS Evaluation with regards to printing inks

Dr David Doennig, Expert Regulatory & Printed FCM, Canon Deutschland GmbH, Germany, and Dr Ingo Schwab, VSLF (Swiss Coatings Federation), Switzerland

12.10 Lunch Break

13.30

Current Developments in Recycling and Why They Are Concerning

- The state of the EU's recycling industry and what Asian production and trade policy have to do with it
- Learnings on polyolefines (new and recycled products)
- Understanding how decontamination works, and what it means for post-consumer polyolefine recycling
- Challenges with the PPWR goals

Dr Ulphard Thoden van Velzen, Senior Scientist Packaging Technology and Recycling, Wageningen Food & Biobased Research, the Netherlands

14.10

Requirements and Options for Recycled Plastics Intended for Food Contact

- EU requirements on recycled content in food packaging
- EU regulation on recycled plastics intended for food contact
- The role of EFSA (Scientific Guidances, e.g. PET)
- Outlook for PET and Polyolefines
- Industry efforts on safety and compliance of recycled plastics

Koen Weel, Scientific and Regulatory Affairs, Director Food Contact Materials, Coca-Cola Europe, the Netherlands (tbc)

14.50

Challenges with Plastics in Food Contact Materials

- Plastics in FCM: the roadmap within the EU's regulation
- How to manage consistent concepts despite different sources of different regulatory frameworks
 - Chemical Strategy for Sustainability
 - Single Use Plastics Directive
 - PPWR and the role of recycling
 - Looking back: BPA

Dr Sabine Lindner, Senior Expert Consumer Affairs, Climate Protection & Circular Economy, PlasticsEurope Deutschland e. V., Germany

15.30 Coffee break

16.00

Update on Regulatory and Policy Developments in the U.S.

- US requirements for FCM
- What has changed under the new administration?
- Consequences for imports
- Which topics are the authorities currently focussing on?
- What is the state of affairs on regulating PFAS in the US?

Daniel C. Rubenstein, Partner, Steptoe LLP, USA

16.40

Sustainable Solutions for Food Contact Materials

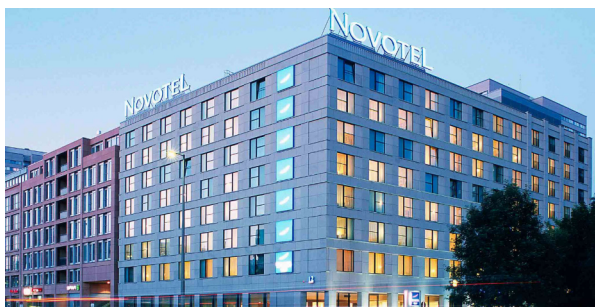

- Regulatory framework(s)
 - PPWR
- The ECHA review on the PFAS proposal
- Belgium's initiative to ban plastic-containing cups – practical implications within the EU market
- Challenges with the Single Use Directive (SUPD) in the EU
- Key elements of sustainability beyond regulation

Dr Carlos de la Cruz Garcia, Head of Regulatory & Scientific Affairs, Nestlé System Technology Center, Switzerland

17.20 Chairman's Closing Remarks

17.30 End of Day One

18.00 Evening Event

Following the official part of the conference, Chem-Academy invites you to a evening reception.

Benefit from the informal surrounding to intensify business contacts and extend your network.

Tuesday, 10th February 2026

8.55

Chairman's Opening Remarks

Dr Bernard Hegarty, Director of Enforcement Policy, Food Safety Authority of Ireland

8.50

The EU's Regulation of Substances in FCMs

- REACH and other regulatory key elements and FCM
- The legal framework: how does the EU regulate substances?
 - The EU's and EFSA's initiatives
 - OSOA: one substance, one assessment?
 - PFAS: the restriction proposal and its putative impact
- How can companies deal with the lack of certainty?

Dr Anna Gergely, Senior Regulatory and Scientific Consultant, Crowell & Moring LLP, Belgium

9.30

Risk Assessment for FCM: Methods and the Path to Standardization

- Methods for risk assessment and the need for harmonization
- Limits: why one can't demonstrate absent substances
- How to stimulate the exchange between research/academia, industry, and authorities
- How can regulation keep up with scientific results and social demands?
- How can one avoid liability issues?

Dario Dainelli, Managing Director, PolicyRegulatory, Belgium/Italy

10.10 Coffee break

10.40

Requirements for Food Contact Rubber – the Perspective of a Rubber Seal Manufacturer

- Overview of the legal requirements for food contact rubber in different regions - current situation and ongoing activities
- Impact of the PFAS Regulation
- Migration testing for repeated use applications
- Shared responsibility in the supply chain

Dr Petra Hilt, Global Manager Compliance Food Contact Materials, Trelleborg Sealing Solutions Germany GmbH, Germany

11.20

PFAS Restrictions from a Retailer's Point of View - Concepts für Phasing out

- Work in progress since 2014: how did the initiative start?
- Identification of risks and evaluating safe alternatives and substitutes
- Checking a complex retailer portfolio
- Communication within the supply chain and towards customers
- Definition of requirements: what is possible to demand

Malene Teller Blume, QA Manager, Coop Trading, Denmark

12.00 Lunch Break

13.20

Plastics in FCM: the 16th Amendment

- The framework: plastics regulation
- Pruity requirements
- Case study: pigments from colours
- How can the proposed criteria be met?
- Upcoming adjustments

Dr Christian Kirchnawy, Leitung Mikrobiologie und Zellkultur, OFI Technologie & Innovation GmbH, Austria

Group Discount

There are more people in your company interested in our event? Benefit from our attractive offer for group bookings! If you register 2 or more people at once for a minimum of 2 days you will save **400€** respectively starting with the second delegate.

14.00

Fiber-based FCM in Times of Dynamic Changes

- Challenges today: the lack of harmonization
- EU and rest of the world
- Changes in product safety over the years
- Communication within the supply chain

Paula Hirsilä, Product Safety & Compliance Manager, Foodservice Packaging, Huhtamaki Oyj, Finland

14.40 Coffee Break

15.10

Food Contact Regulation in Asia

- Introduction: importance and scope of FCM Regulations: globally and in Asia
- Development in Asian regulatory frameworks
- Key markets: news and adjustments

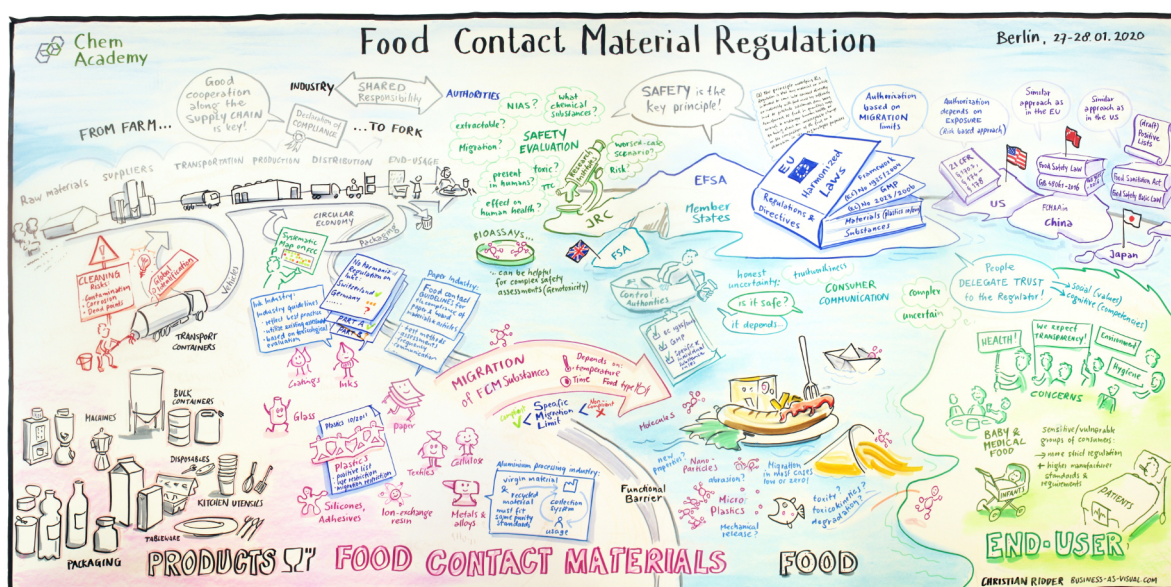

- China
- Japan
- Korea
- India
- MENA

- Challenges, opportunities, and future trends
- Conclusions and practical insights for compliance

Daisy de Klein, Senior Regulatory Affairs Manager, Food & Food Contact Materials, Knoell NL B.V., the Netherlands

15.50 Chairman's Closing Remarks

16.00 End of the Conference

You can find all previously visualized conferences on our website: www.chem-academy.com/graphic-recordings

Sponsoring

Use our event to present your company, your solutions and services and to make new contacts. We offer you a variety of opportunities to contribute as an exhibitor, sponsor or with a content contribution.

We are looking forward to your contact!

Dr Bjoern Nehls
Managing Director
+49 (0) 33 38 75 15 711
bjoern.nehls@chem-academy.com

Chem-Academy provides conferences, seminars and workshops on current topics in the chemical and pharmaceutical industries. Experienced speakers from operational practice, government/authorities and academia deliver the latest findings on current issues in their respective fields. Experts from the entire pipeline from manufacturing to pharmaceutical and/or chemical traders to downstream users and service providers are represented at our events. Chem-Academy delivers specialist answers and advice that go beyond the general helpdesks, FAQ pages or complex legal texts.

 Bahnhofplatz 2, D-16321 Bernau bei Berlin

Conference Venue

Novotel Berlin Mitte

Fischerinsel 12
 D-10179 Berlin
 Germany
 Phone: +49 30 206740
 Website: <https://all.accor.com/hotel/3278/index.de.shtml>
 E-Mail: h3278@accor.com

Individual accommodation and travel are not included in the registration fee.
 Please arrange your own bookings respectively.
 Besides an inquiry to the venue hotel we recommend to consult the common hotel reservation portals.

Technical Requirements

For our online conferences we use Cisco WebEx (www.webex.com), one of the leading providers for online meetings. You will receive all helpful information on installation and implementation as well as the necessary access data from us via email.

Terms and Conditions

- Registration**
 Registration is confirmed in writing by the organisers. The registration fee covers attendance at the lectures for the number of days selected, full documentation, entrance to the exhibition area, lunch and refreshments. VAT has to be added. Important note in terms of late payment: As mentioned in the registration form all payments must be received within the due date given in the invoice. If you assume that your company is not able to manage payment in-time by bank transfer, please provide your credit card details in order to guarantee your booking. This helps to avoid any inconvenience upon your arrival at the event. At that time the full amount of the payment must be received in our accounts at latest. Thank you very much for your co-operation.
- Cancellations**
 Cancellations of a registration by a delegate has to be received in writing at least 30 days prior to the event and will be subject to a service charge of 200 Euro. Substitutions are acceptable at any time. Where cancellations are received later, the registration fee remains payable in its entirety. In case the event has to be cancelled by the organiser payments already received will be credited for the following year's event.
- Copyright**
 All material (documents, photos etc.) issued in connection with the events are copyrighted. Duplications and otherwise use must be authorised in writing by b2b-events.net. You may use personal cameras and video cameras for private use only. Professional photography and recording equipment are not permitted. With your attendance you consent to being photographed, filmed and recorded. Unless otherwise agreed with b2b-events.net, you consent to b2b-events.net and third parties using images and recordings of you for broadcast, publication and licensing without compensation or acknowledgement.
- Liability**
 It may be necessary for reasons beyond the control of the organiser to alter the content or the timing of the programme or to cancel the event. The organiser of the event is not liable to pay any compensation or damages resulting from alteration, cancellation or postponement of the event. The organiser will do the utmost to inform the delegates of such modifications as early as possible, but is especially not liable if higher force or unforeseen incidences are affecting the meaningful implementation of the event. Force majeure includes: armed conflicts, civil strife, terrorist threats, natural disasters, political constraints, significant influence of transport, etc.
- Data Protection**
 The organiser gathers and processes data in accordance with data protection laws. Your data is stored electronically for the purpose of future updates of our services. If you wish your data to be amended, removed or not passed to an external organisation, please write to info@chem-academy.com.
- Final Clauses**
 The contract is subject to the German law. Area of jurisdiction is Bernau bei Berlin, Germany.

Food Contact Materials Regulation

I would like to register:

<input type="checkbox"/>	On site	Early Bird	Regular Price
	9-10 February 2026	1.695 €	1.995 €

<input type="checkbox"/>	Online	Early Bird	Regular Price
	9-10 February 2026	1.595 €	1.895 €

☐ Unfortunately, I am not able to participate at the conference.
 Please send me more information via Email.

E-Mail

The early bird discount is valid until 12th December 2025. After that, the normal prices apply. **All prices plus VAT.**
